

SUBJECT: Free Monthly Downloads of STAT!Ref PDA-PIER for your Palm

Palm handheld users at the Medical College of Georgia have unlimited access to download STAT!Ref's point-of-care PDA application with the American College of Physician's (ACPs) Physician Information and Education Resource (PIER) monthly updates. Steps to access this download are:

1. Go to www.statref.com/STAT!RefPDA-PIER.exe
2. Run STAT!Ref PDA-PIER.exe
3. Follow instructions to install STAT!Ref PDA-PIER onto your computer.
4. When installation is complete, perform a HotSync operation to your PDA.
5. Go to <http://online.statref.com/regcodemanager/default.aspx?un=MCG&pw=PDA>
6. Enter your Palm OS HotSync ID, your name and your e-mail address and you will receive your registration code. You will be sent an e-mail with your registration code for your records.
7. The PDA application, STAT!Ref PDA-PIER, will ask for this registration code. Enter the registration code (hyphens are not necessary) and you are ready to go. Registration code is good for up to 12 months.
8. STAT!Ref PDA-PIER is updated monthly, so remember to repeat steps 1 – 4 on a monthly basis to keep up with ACP PIER's latest information.

Also, to use the Medical College of Georgia's subscription to STAT!Ref with full text cross-searchable access to a variety of resources, click <http://online.statref.com/default.aspx?grpalias=MCG> to automatically log you onto STAT!Ref.
